5 次の英文の内容と一致するものを選びなさい。

When you get up in the morning, do you say to your family, “Good morning”? Everybody knows “Good morning” is a greeting. Greetings are words you use or something you do when you meet someone. If you hear a warm greeting like “Good morning” from your friends on your way to school, you will start the day with happy feelings. Greetings sometimes give you great pleasure. In your life they have an important meaning.

When you go into a store, you can often hear cheerful greetings. How do you feel if you get such a greeting? Maybe you can shop with happy feelings. After you leave the store, you may want to visit it again. Cheerful greetings must be important in the business world.

Conversation usually starts after exchanging greetings. It means that communication starts with a greeting. Greetings are good for human relations. So if the day begins with a warm greeting like “Good morning” from your family and your friends, you may have a good day. Why don’t you also give warm and cheerful greetings to them? It’s very good for you to think about the meaning of greetings.

(注) cheerful = 元気な      conversation = 会話      relation(s) = 関係

- ア People should know that greetings do not always give them pleasure.
- イ In business world it’s difficult for people to hear cheerful greetings.
- ウ Greetings are so important that people should try to give them to others.
- エ It’s important to know that there are different kinds of greetings in the world.
